

# Zodiac AX10 Activ

*Exclusive cyclonic scrubbing action*

Exclusive active cyclonic scrubbing brushes provide the ultimate deep cleaning experience. The active scrubbing removes algae and fine particles which other suction cleaners in its class leave behind.

Designed to take on the toughest pools, the **Zodiac AX10 Activ** uses Max-Drive Navigation 360° with dual drive assembly to deliver efficient cleaning making stuck on debris a thing of the past.

**ZODIAC®**

*a better life*

# AX10 ACTIV

FEATURING CYCLONIC SCRUBBING ACTION

## Key Product Features & Benefits

### Cyclonic Scrubbing Action

A deeper clean with dual scrubbers. Cyclonic scrubbing action tackles fine, stuck - on debris. Removable scrubbing brushes can be easily replaced when worn.

### Cyclonic Vacuum Technology

Cyclonic vacuum technology ensures that the AX10 Activ captures maximum debris whilst maintaining maximum cleaning power. Cyclonic suction also allows for a wider cleaning path ensuring both large and small debris are consumed with ease.

### maX - Drive Navigation 360°

Maximum pool coverage thanks to 360° navigation dual drive assembly and wide cleaning path of 35cm.

### Flex Power Turbine

The ultra efficient flex power turbine is at the heart of the AX10 Activ. It provides maximum torque while operating at low flow, ensuring the pool system is not burdened.

### Convertible Debris Inlet

The AX10 Activ comes with an adjustable inlet opening depending on whether to capture small or large debris up to 4cm in diameter.

Zodiac lives in the backyards of Australian families, at home in the pool. Zodiac began and continues with a dedication to innovation and new product development, focused on ensuring a better way of life. Our products deliver solutions to take the hassle out of owning a pool. So, all that's left is for you to enjoy it; to enjoy a better life.

## Product Specifications

- Mechanical Suction Pool Cleaner
- Suitable for most in-ground pools up to 12m X 6m (Depending on location of skimmer box).
- Suitable for concrete, pebblecrete, quartzon, tile, fibreglass, vinyl surfaces
- Cleans floor and walls
- Best suited for small and medium debris. Not suitable for long leaves i.e. palm leaves

## Packaging Content

- 1 x Zodiac AX10 Activ head
- 12 x Zodiac long life Twist & Lock hose section
- 1 x AD flow valve
- 1 x universal weir cuff
- 1 x hose float
- 1 x Flow Regulator Valve
- 1 x 90 degree elbow
- 1 x quick start guide
- 1 x warranty card

## Optional Accessory

- Zodiac Leaf Catcher. Perfect accessory for heavy leaf litter. Captures leaves and other debris before they reach the skimmer, pump, or filter.

# EvoluX iQ™

COMBINING ULTRA PERFORMANCE AND INTELLIGENCE WITH POOL CLEANING

Customised Cleaning  
Sensor Nav System™

Ease of Use

Suction Efficiency

Intuitive App Navigation

# EvoluX iQ™

With its Sensor Nav System™, the EVOLUX iQ™ robotic range identifies the configuration of your pool to optimise the cleaning path and cleaning time. The patented cyclone suction guarantees extremely powerful and long-lasting suction. Thanks to the patented Lift System™, EVOLUX iQ™ is lighter when removing it from the water. Control your cleaner anywhere, anytime through the intuitive interface of the iAquaLink™ App. EVOLUX iQ™ is upgradable thanks to possible optimisations and automatic remote updates over the air.

## Easy to Use

The patented Lift System™ allows the cleaner to be lighter and completely effortless when it is removed from the water. With easy access to the filter and the visibility of a transparent window, the EvoluX iQ™ makes for the ultimate pool cleaning experience.

## Suction Efficiency

Combining the constant power of its patented Cyclonic Suction with an impressive filtration system, the EvoluX iQ™ sets the benchmark in debris collection.

## Customised Cleaning

Equipped with a Sensor Nav System™, the EvoluX iQ™ robotic pool cleaner learns your pool's configuration to fully optimise the cleaning path and cleaning time. The pressure sensor also delivers efficient wall climbing and waterline cleaning by measuring the depth of the pool.

## Intuitive App Navigation

Control and monitor the progress of the cleaning cycle anytime, anywhere, using the intuitive interface of the iAquaLink™ application. To stay up to date, the EvoluX iQ™ constantly evolves thanks to constant automatic remote feature updates.

## Transparent canister window with LED illumination

The LED light and transparent window make it easy to see inside, even while submerged.

## Large capacity 100µ filter canister

With easy access and smart canister design, cleaning and removing debris has never been more simple.

## Swivel Cable

The swivel mechanism helps prevent the cable from tangling while submerged.

## Convenient Caddy

(not included with all models)

## Climate Care Certified

The Climate Care Certification Program is an initiative of the Swimming Pool & Spa Association of Australia Ltd (SPASA). It is the industry's new efficiency and sustainability certification program. [www.spasa.com.au](http://www.spasa.com.au)

## SELECT THE RIGHT SIZE eXO FOR YOUR POOL

INTRODUCING  
THE  
**eXO<sup>®</sup>**  
NEXT GENERATION CHLORINATOR

The Chlorinator  
*that knows best*

**3**  
YEARS  
ZODIAC<sup>®</sup>  
WARRANTY

The next generation in premium chlorine generators is here. The all new eXO from Zodiac combines cutting edge technology with beautiful design.

After years of development and researching the must haves for pool owners, Zodiac next generation of chlorinators has arrived. Absolutely feature packed and combines the essentials of pool automation with premium level pool water chemistry management

DOWNLOAD OR UPDATE

the iAqualink app from

#### ULTRA LONG LIFE RP CELL

These upgraded automatic cleaning cell plates have an ultra long life, combined with smart tech in the chlorine production that will provide years of performance

#### SMART TEMPERATURE SENSOR

Not only can you view realtime water temp but this smart sensor automatically regulates output in cold water thus preventing excessive wear and tear on your cell, helping to reduce costs

#### VARIABLE SPEED PUMP CONTROL

Directly connect to your Zodiac VS pump and set schedules and speeds to suit the needs of your pool, and reduce energy consumption (for RS485 communication VS pumps)

#### SALT OR MINERAL SWITCHER

Use normal pool salt or mineral salts to create chlorine and keep your pool water healthy and sanitised at all times.

#### POOL COVER MODE

Allows you to connect an automatic pool cover that will automatically drop the output to your desired level without having to do a thing.

#### MULTI COLOUR LIGHT CONTROL

Control your pool light(s) directly from the chlorinator (or your smart phone with iAqualink). Any single colour light or Zodiac/Jandy sequence multi colour light. Note this feature requires additional relay box to connect. Ask your poolcare professional for more information

#### IAQUALINK ENABLED

A built-in WiFi chip that allows you to monitor, control and change all your schedules and outputs directly from your smart phone. iAqualink is the worlds premier pool equipment control platform. It also allows for constant updates and improvements to be delivered directly into your chlorinator, no call out fee, no hassles

iAqualink puts full control at your fingertips anytime, anywhere (optional feature for standard models please check for marked carton if WiFi enabled)

#### AUTOMATED WATER CHEMISTRY

If you are looking for the absolute pinnacle in automated water management of your pH and chlorine levels via ORP, these features come standard on the pH or PRO models, but they are also available as upgrades if you want to add them down the track. The premium grade sensors will monitor and keep pH levels in balance and perfectly regulated. Whilst on the PRO version your chlorine levels are continuously monitored and adjusted to ensure safe healthy water every time you go for a swim. All pH and PRO models come with wifi built-in so you can monitor, adjust or control on your iAqualink app anytime, anywhere.

*'The sole purpose of Zodiac Next Gen chlorinators is for the home owner to save time, save money and take the guesswork out of maintaining a healthy pool'*

# LumiPower

## Pool and Spa LED Lights

*All ranges for concrete and fibreglass pools*

The new Zodiac LumiPower Lights are the latest in LED Light technology and encompass features not found in other lights. There is a complete range to suit fibreglass and concrete pools in both new and existing pools

## Key Product Features & Benefits

### Dazzling Colours

Our multi colour light has 9 standard colours to choose from, the Lumipower Lights can be matched to give the perfect enhancement to your pool at night. With 5 Colour Transition Modes to give your next pool party the atmosphere you want. Also available in single colour blue or white.

### Low Profile Design

The design allows for minimum intrusion into the pool maintaining the sleek modern look of today's pools and the one piece moulding prevents any water ingress.

### Built to Last

With a unique design that manages potential overheating issues and an ultra long life LED, the Lumipower series of lights is suitable for all types of pools in all applications.

## Packaging Content

- 1 x LumiPower Light
- 1 x warranty card
- 1 x quick start guide
- 1 x owner manual

## Product Specifications

- Multi colour or single colour blue or white
- Energy Efficient LED Light Bulbs
- 9 Standard Colours
- 5 Adjustable Brightness Levels
- Ultra Long Lamp Life
- Compatible with AquaLink™

### Compatibility:

Our range of Lumipower lights is suitable for almost any pool surface whether it is for new installs or for retrofitting to an existing pool. Should be used with any Zodiac 12VAC transformer for best results, available in 2 or 4 light versions.

 **iAquaLink™**

Compatible with all AquaLink™, iAquaLink™ control systems and the eXO and Hydroxinator iQ products.

Zodiac lives in the backyards of Australian families, at home in the pool. Zodiac began and continues with a dedication to innovation and new product development, focused on ensuring a better way of life. Our products deliver solutions to take the hassle out of owning a pool. So, all that's left is for you to enjoy it; to enjoy a better life.

# Zodiac Water Features

*elegance & beauty* for any backyard

**Zodiac Water Features** are the perfect way to provide stunning visual effects combined with the refreshing sound and dynamic flow of water to your pool or spa. Suitable for all backyard environments they will create an elegant touch to any backyard.

Laminar Jets

Mini Jets

Deck Jets

Powerstream

## Zodiac Powerstream Water Feature

The Zodiac Powerstream is a low maintenance water feature that can be easily installed on any type of swimming pool or landscape garden. This water feature is compact and discreet, available in standard sizes, or can be custom designed in a variety of sizes to suit your specifications.

They are available in a clear option providing your pool with a luxurious finish whilst also allowing your water feature to blend into any landscape, surface or colour scheme.

## Zodiac Mini Jets

Zodiac's Mini Jets are extremely versatile, suitable for most swimming pool environments and requiring minimal water flow. The all new flow control Mini Jets allow you to create the optimum flow to suit your pool, simply adjust the nozzle via a special tool included with the unit to modify the direction and length of water.

## Zodiac Deck Jets

Zodiac Deck Jets create shimmering arcs of water from your deck into your pool or spa. The jets can be installed in almost any combination, and since they can be adjusted 360°, the dazzling effects they create can be changed again and again to meet your expectations.

Zodiac lives in the backyards of Australian families, at home in the pool. Zodiac began and continues with a dedication to innovation and new product development, focused on ensuring a better way of life. Our products deliver solutions to take the hassle out of owning a pool. So, all that's left is for you to enjoy it; to enjoy a better life.

## Zodiac Laminar Jets

Zodiac's New Laminar Jet Water Features with LED lighting provide clear or coloured arcs of water as they silently enter your swimming pool or spa adding that extra touch of excitement to your backyard.

Zodiac Laminar Jets can be installed in both existing and new pool and spa applications and come standard with a built in 12-volt LED light module offering an extensive range of different colour combinations to create the perfect backyard oasis.

## Handy Tip

The amount of water flow that is required to achieve the effect you desire will impact the position of the water feature. The way the water feature is plumbed will also have a significant impact on the water flow and therefore the performance of your water feature. Choose a location that's away from wind and sun, reducing water evaporation. Also avoid any underground cables and lines that may be running under your yard.

# ELEMENT MINERALS

## Enhance your bathing experience

To create a greater bathing experience for all saltwater pool owners, Zodiac is pleased to bring to market a line of mineral-based premium salts called Element™.

Element™ mineral salt is a sodium based, magnesium enriched blend designed to make the bathing experience much more enjoyable for all skin types. It creates a silky smooth feeling in the water that is very pleasant to swim in. Plus the natural flocculent effect of magnesium chloride keeps your pool water crystal clear. Element™ Activate mineral salt is a startup blend use when converting a current saltwater pool to becoming an Element™ mineral salt pool. Very heavily dosed with magnesium this blend helps condition the water from the 'get go' giving the pool water the softer feeling quickly. Once Element™ Activate is dosed (using the recommendation from your pool care professional), when you need to 'top up' your salt level, simply just use the standard Element™ blend. Although Element can be used with any saltwater chlorinator Zodiac recommends using the TRI-XO CrossOver, with its unique dual menu system.

**Element mineral salts are a magnesium enriched blend of pool salt designed to enhance your bathing experience and give the water a silky smooth feel with better water clarity**

# daisy

pool covers & rollers

## Select your pool cover

Our original polyethylene bubble layer design has been created to maximise heat retention whilst eliminating 97% of pool water evaporation, minimising the sting of your water and electrical bills every summer season.

## 5 Star + 10 Year Warranty Pool Roller

This 5 star fully mobile pool roller is ideal for medium to large pools up to 4.3m wide and up to 18.0m long; or up to 6.1m wide to 14.0m long respectively.
